

## **AVOID LONG TOLL LINES WITH Avis e-Toll™**

### **What is Avis e-Toll™?**

Avis e-Toll™ is our company's electronic toll collection program which makes road travel more convenient! Avis e-Toll™ eliminates the need for travelers to carry change or wait in long cash payment lines at toll plazas and allows Avis renters to zip through electronic toll payment lanes. Avis eToll™ is offered in the Northeast United States (from Maine to Virginia), Florida, Colorado, the metropolitan Houston area, Chicago areas and Puerto Rico. Instead of waiting in long toll lines, you can pay your toll electronically by driving through a designated toll lane.

### **How does Avis e-Toll™ work?**

#### **Houston Area**

In the Houston metropolitan area customers automatically opt in the use Avis e-Toll™ when they use the EZ TAG (non-gated) lanes in Houston. When a renter utilizes these video based toll lanes, the toll system identifies the car and charges the posted toll plus a daily service fee to the Renter's credit card. There is no charge for Avis e-Toll™ unless you use it.

#### **State of Florida**

In the state of Florida the renter has the option of using Sun-Pass Only and E-Pass Only express video lanes without stopping. When a renter utilizes these video based toll lanes, the toll system identifies the car and charges the posted toll plus a daily service fee to the Renter's credit card. There is no charge for Avis e-Toll™ unless you use it.

#### **State of Colorado**

In Colorado customers automatically opt in the use Avis e-Toll™ when they use the Express Toll video lanes in Colorado. When a renter utilizes these lanes, the toll system identifies the car and charges the posted toll plus a daily service fee to the Renter's credit card. There is no charge for Avis e-Toll™ unless you use it.

#### **Northeast (Maine to Virginia/Chicago Areas and Puerto Rico)**

When you come to a toll booth, simply drive through an designated EZ Pass (Northeast) or I-Pass (Chicago) AutoExpresso (Puerto Rico) transponder based lane and your credit card will be charged the regular toll amount plus a daily service fee. There is no charge for Avis e-Toll™ unless you use it.

Customers can access a receipt online and view their toll activity at [www.htallc.com](http://www.htallc.com). Click on Receipt Request on the home page. Renter has (2) options in looking up a rental receipt: by Credit Card Number or Rental Agreement. Please allow 4 business days from the rental end date to have your receipt posted to the website. If a renter has been charged on their credit card and a receipt does not appear, please call 1-800-482-0159.

### **How do I pay for this?**

Your credit card on file with the rental agreement will be charged. Toll charges will be applied after the rental car is returned.

### **Why I am being charged a \$2.50 per rental day daily use fee?**

The fee pays for the convenience of the program.

### **How is the daily administrative fee charged and calculated?**

For each rental day (24 hour period) that a designated toll lane is used. The \$2.50 service fee is applied to each contracted rental day, up to \$10.00 per rental week, once you utilize Avis e-Toll. The \$2.50 per day administrative fee per day is consistent throughout the rental, it does not matter how many times tolls are incurred.

### **Why should I be interested in Avis e-toll?**

Speed and convenience. When you utilize Avis e-toll you don't need to wait in long lines to pay cash so you can get where you are going faster. You will also save on overall gas usage.
